

Coming to Holyrood Park on Sunday 22nd June, 10 am?

We meet at the Education Centre. Here's how to get there

The roads in the Park are closed to traffic on Sundays, so do not try to enter the park from the Commonwealth Pool entrance if you have your car.

Best way to access the Park is to enter near Dynamic Earth. Turn left at the roundabout just inside the Park to find the car park. It is free on Sundays BUT it is likely to be crowded, even as early as 10 am. It has limited cycle parking. Likewise, the other car park at the Meadowbank entrance. It is usually full.

From the car park, take the footpath across the grass to the Education Centre (low grey modern building)

There are bike racks at Dynamic Earth.

Bus routes: The number 35 stops a 3-minute walk away from Dynamic Earth. Alternative routes include the 5, 7, 14, 29, 30, 31, 33, 37, 45 and 49 which stop on North Bridge and are a 10-minute walk away along Holyrood Road.

There are toilets at the Education Centre.
